**Course Loads:** Rigorous course loads (15+ credits) including 2 or more science courses per semester is recommended for most professions. Everyone has a different path. Your tracking, major, and college requirements take priority, so your plan may look different than your peers.

\*It is not recommended to use your summers to

**Other courses may be required by specific programs. You are responsible for knowing the requirements of the schools where you plan to apply.**

Many professional schools do not accept pre-requisite courses taken on-line or at non-U.S. institutions. It is up to you to double-check whether courses taken on-line will be accepted.

Policies on AP, IB, AICE, and community college credit vary by school. Be sure to check each schools policy.
