

ASU/MIDWESTERN UNIVERSITY PIPELINE FOR CAREERS IN THE HEALTH SCIENCES

Arizona State University and Midwestern University's Glendale campus established an articulation agreement in 2015 that annually reserves a number of seats in the professional schools and programs offered by Midwestern for qualifying ASU students. The agreement provides more options to students who are in ASU pre-professional programs.

The agreement covers eight Midwestern schools/colleges and programs.

[Arizona School of Podiatric Medicine](#) - 3 seats

[Biomedical Science Program](#) -10 seats

[College of Dental Medicine – Arizona](#) - 5 seats

[Clinical Psychology Program](#) - 6 seats

[College of Pharmacy](#) -15 seats

[College of Veterinary Medicine](#) -2 seats

[Cardiovascular Science Program](#) -6 seats

[Arizona College of Optometry](#) - 4 seats
